**NOTIFICATION OF LOSS OF ENTITLEMENT TO SMALL ENTITY STATUS**  
**(37 C.F.R. §1.27(G)(2))**

Note: "Notification of loss of entitlement to small entity status is required when issue and maintenance fees are due. Notification of a loss of entitlement to small entity status must be filed in the application or patent prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity as defined in oparagraph (a) of this section is no longer appropriate. The notification that small entity status is no longer appropriate must be signed by a party identified in §1.33(b). Payment of a fee in other than the small entity amount is not sufficient notification that small entity status is no longer appropriate." 37 C.F.R. §1.27(g)(2).

Note: From the above portion of 37 C.F.R. §1.27(g)(2), it is only a change in status "resulting in loss of entitlement to small entity status" that must be filed, and a change from one small entity to another small entity status requires no notification.
